

Student Personal Account

Thank you for considering the Glasgow Taxis Student Personal Account.

Remember:- You cannot access your credits until the office have set up your account on the system and you receive notification with Account details and PIN. It may take twenty four hours or a little longer at weekends/holidays. **This is really important if you are topping up your account.**

Don't wait on the line!

With this Account you get access to our VIP dedicated telephone number: 01414296666. This puts you through direct to one of our team who will be more than happy to assist you with your booking or any questions you may have. Simply quote your account and PIN to make a booking.

Don't phone at all!

eCabcall Online Booking: You can register on our online booking platform which fits any device and make all your bookings online. You can book in advance, make favourites, and track your taxis progress, plus a whole lot more. If you wish to use eCabcall, please register via our website and drop Jim Smith an email and he will set it up. jims@glasgowtaxis.co.uk

Glasgow Taxis Mobile Booking App: You can download our app for free from both Google Play and App Store – just search for "Glasgow Taxis." You can store your account details in it and book all your taxis this way. As with eCabcall it has a variety of features inc tracking your taxis progress.

Just hail a Taxi on the street!

Street Credit: Flagged or Hailed a Glasgow Taxi in the street or at a Taxi Rank? No problem, as long it's a GTL taxi (look for the wee yellow flag and our 01414297070 on the back window). You simply advise the driver you have an account and he'll do the rest.

We hope you enjoy all the benefits of your student account. If you ever have any questions, please do not hesitate to contact us.
